10:45: The coalition spent time reviewing the coalition assessment, prepared by the evaluator. The coalition reviewed the strengths, the concerns, and the recommendations. A brief discussion followed regarding ideas of how to involve more youth in the coalition.

10:55: Gil Feliciano shared a brief DFC coordinator report. The Stop Act progress report was submitted. There was a conversation regarding forming a sustainability committee. Several individuals volunteered to be part of the sustainability committee and the President asked that a call be sent to all CSHE members for volunteers to ask for assistance. The DFC Continuation Grant for years 6-10 was submitted June 8 - we should hear on whether we received the award or not by December. If not awarded, ideas are needed on how to continue work while we re-submit in Spring 2021.

11:05: The floor was opened for discussions and announcements. Jared shared he is still doing Facebook Lives on Fridays and opened an invitation to members to highlight their organization. There is a pop up market at ECC for families with food needs on Saturday, June 13. Dianna shared that Greater Elgin Family Care Center has COVID-19 testing and the antibody testing available.

11:10: Meeting was adjourned. Attendees were asked to complete an electronic evaluation.
